

# S.P.O.I.

by Abby Denson

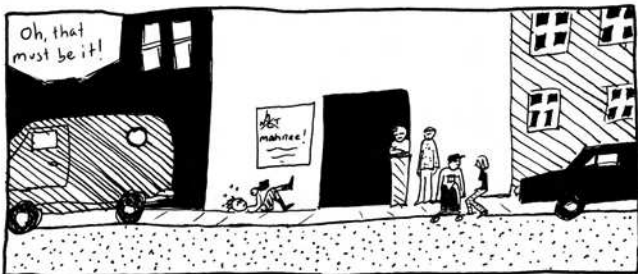

this new town  
sucks, I heard  
they have a good  
hard core scene,  
though

It sucks  
to go to a show by  
myself, but I  
don't know anybody  
around here yet.

he  
looks  
real tough,  
hard-core!

check  
out  
those  
tattoos,

he's  
so  
cool!

the next day-

should I  
pierce my  
nipples?

maybe I should just  
get my ears done first

... but it could be my chance to show Mark I'm hard-core!

back home

why am I nervous, I'll just call him!

hi Mark?  
it's Robby.

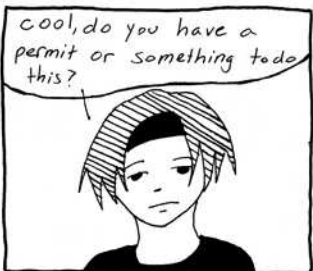

Are you ready to be pierced?

uh... yeah

good, come to my place at 35 Mountain St.

O.K.  
See you soon.

No... uh..  
not yet.

I must sound  
like a  
dork!

Well, do you  
want to start  
off with  
earrings?

Yeah, that may  
be a good idea.

Cool, in that case I can use  
a piercing gun. It'll only  
take a second! Sit in the  
'operating chair' over there.

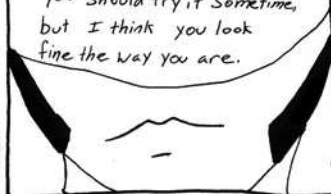

Ok

So, do you  
work out?

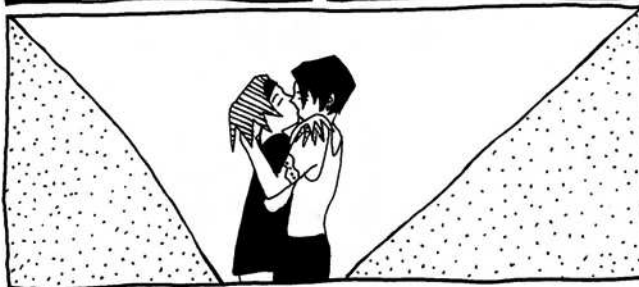

Yeah. I lift weights,  
it's great for the body.  
You should try it sometime,  
but I think you look  
fine the way you are.

Robby gets home.

I'm home mom!

Wait, are those earrings? Who gave you permission?!

Sorry...

... and wait!  
is that a hickey  
I see!

Stop it!  
Leave me alone!

Well at least you've  
finally met a girl!

Yeah,  
Sure...

end
